February 24, 2009  
Starting at 6:00pm*

*We're bringing people from  
the community together to  
have conversations that  
matter.*

# CAFÉ YDC

Community members will discover ways they can make a difference as individuals and together as a community in the lives of young people by using the wisdom and creativity they possess. They will connect ideas, questions and findings as they move among different groups through rounds of conversations.
